## EXPERIENCE

### *E.W. Scripps, National Editor | 2019–2024*

Edited engaging story packages and graphics for national news/OTT platforms using Final Cut Pro, Motion, After Effects, and Premiere. Developed graphics packages for comprehensive news coverage during key events such as the 2020 COVID-19 Pandemic and the 2020 and 2024 presidential elections, reaching audiences across 348 TV stations in 100+ markets and 46 states. Instrumental in launching the "Scripps Content Collective," contributing to new company structures and workflows. Developed various OTT "Module" prototypes and significantly enhanced product aesthetics.

### *E.W. Scripps, Commercial Producer | 2017–2019*

Produced, wrote, and edited videos and marketing assets in English and Spanish for a diverse client base. Successfully launched and produced lifestyle shows "Mile High Musts" and "Mile High Living," leading the latter to rank as the #1 viewed lifestyle show in Denver, the 16th largest media market.

### *KMGH Denver7, Editor/Photographer | 2016–2017*

Edited stories, packages, and graphics for local news broadcasts using Final Cut Pro, Premier, Motion, and After Effects. Managed tight deadlines in high-pressure environments. Served as Studio Photographer and Glide-cam operator, enhancing news pieces with the popular "glidecam look."

### *KOB Law, Media Producer | 2015–2016*

Produced audio and video content for court proceedings, including animations, explainer videos, and graphical representations.
